Supportive

I cannot think of any need in childhood
as strong as the need for a father's
protection.

Warm
Shelter

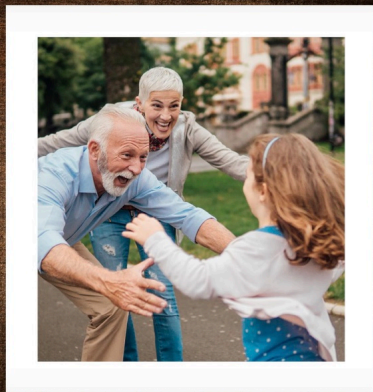

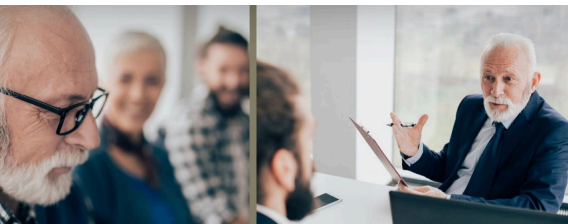

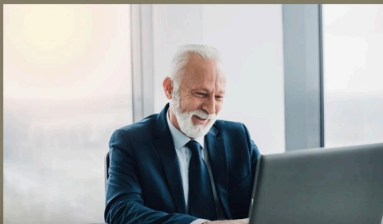

My father gave me the greatest gift anyone could
give another person, he believed in me.

Best Mate

My father didn't tell me how to
live. He lived, and let me watch
him do it.

Our Superdad!

An almost perfect relationship with his father was the earthly root of all his wisdom.
