

Dear Mom,

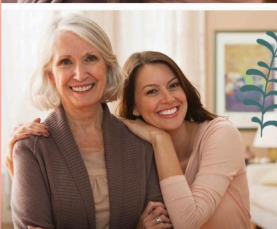

Love,
Your Beloved Daughters

Mom is the
most beautiful

She is beautiful, softened at the edges
and tempered with a spine of steel. I
want to grow old and be like her

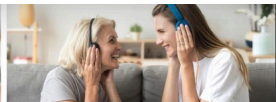

We thank you for your love
and everything else.

She's a giver

*She gave me everything, she gave me love,
she gave me her soul, and she gave me her time.*

May all the love you gave to us come
back to you a hundredfold
